**SCB Workshop on  
Cost Effective Import – Export of cargo under Multimodal  
Transport System**

# **Introduction to SCB Shippers' Council of Bangladesh**

SCB Workshop on  
Cost Effective Import – Export of cargo under Multimodal  
Transport System

## **MTS/MTO**

### **Multimodal Transport**

Carriage of goods &  
passengers by more than  
one mode of transport by a  
single service provider  
having control over the entire  
operation

SCB Workshop on  
Cost Effective Import – Export of cargo under Multimodal  
Transport System

**Advantages of MTS/MTO**

1. Minimizes **time loss** at trans-shipment points
2. Provides **faster** transit of goods
3. Reduces burden of **documentation and formalities**
4. Saves **cost**

SCB Workshop on  
Cost Effective Import – Export of cargo under Multimodal  
Transport System

**Advantages of MTS/MTO**

- 5. Establishes **only one agency** to deal with
- 6. Reduces Operating / Non-Manufacturing **cost of exports**
- 7. Minimizes the risk of loss, **pilferage** and damage to cargo at trans-shipment points.
